LAUREL GROVE,
KEIGHLEY.

November 1st 1928

Dear Fred,

It really was charming
of you to send me such
a glorious box of chocolates.
They were a surprise but dear
I never thought for a moment
that you seriously intended
buying me some woolly
stockings though now I must
try to find a pair.

We were over in Rikley
yesterday & found your stick
was still there so brought
it home

Thank you so much
once more for the lovely chocolates.

Love from
Brother.

PHONE: 3103.

LAUREL GROVE,
KEIGHLEY.

Nov. 12, 28.

My dear Fred,

I was awfully disappointed
not to see you on Saturday but
wasn't ~~it~~ the day dreadful? I
I hope the dinner was a great
success.

I have never seen such
crowds in Keighley for the
Armistice celebrations & should
have loved to see you, dear, on
parade in Pendolme, the whole

village would come out to watch
you all I expect.

The Hospital Ball is on

Friday & I have been wondering

if you will be able to come.

I intended telling you all

~~about it on Saturday. If you~~

do come, would you care to

stay the night with us? We

shall be very pleased if you will

With love

from

family.

LAUREL GROVE,
KEIGHLEY.

Dec 11: 28.

My dear Fred,

I wonder if you
have faced the ordeal yet
dear or if it is still to
come, the light had certainly
not been good has it? but
I am sure the result will be
charming & I shall love it,
whatever the light may be.
All chance of skating

has gone now & am afraid.
There was a picture in the
daily mail of some people
on the farm on Sunday getting
wet, did you see it? The
frost can't have been very hard.

I have finished few lines
at last by reading till twenty
to three on Monday morning &
then promptly fell asleep!

With much love

from
Dorothy x

KEIGHLEY.

Dec 19th 28.

My dear Fred,

We seem fated not
to skate don't we? Sunday
was a beastly day here.

Kitty & I had a shopping
day in Bradford ^{Monday} ~~yesterday~~
or rather we tried to buy
things but only succeeded
in trailing round & round

s hoping very little. I
made some wonderful sounds
with the gears.

We should be very pleased

if you would take supper
with us tomorrow if you

are not busy dear & would
care to come.

With love

Yours

Dorothy.

P.S. I forgot to give you few lines
on Saturday &.

LAUREL GROVE,
KEIGHLEY.

Dec 20, 28.

My dear Fred,

Thank you so much
for the proofs. They are all
awfully good and very
charming. I have put the one
I like best on the top. Our
letters must have crossed.
I wrote last night asking
you to take supper with us

this evening and rather thought
I should have heard from you
this morning but when I rang
up about eleven o'clock you
had already left for Bradford
so I suppose my letter had
not arrived. I am awfully

— sorry dear I should have
written earlier but if you can
come tomorrow we shall be
very pleased.

I love the photographs &
the collar & tie & hair which took
so much thought are all perfect.

Love from
Dorothy

Dec 27: 28.

My dear Fred,

I was so sorry not
to be in when you rang
up on Monday. I wonder
if you did leave any
message because if so I never
got it. I thought perhaps you
might have been able to come
over to see us so rang up
the mill in the afternoon

but you were not there.

I tried again this morning but once more was unlucky so gave it up in despair.

Yesterday I went down to golf but it was awfully cold playing although it was such a glorious morning we just had twelve holes

before it started to rain.

Have you done any
walking this Christmas or
have you stayed in the
mountains.

I do hope my parcel
was not awfully late for
Christmas, I wonder if it
was?

With love

Yours

Bonnie

P.S. It does seem an age
since I heard from you dear B.

KEIGHLEY.

Oct 4: 28

My dear Fred

I was awfully
disappointed that I was
unable to see you to-night
but really I have the most
beastly cold and am still in
bed and dear, I might have
given it to you and I should
have hated that to happen.

Shall I meet the 2.16 into
Keighley on Saturday, or have

you arranged anything else
before seeing me?

I will be there unless
I hear otherwise from you

Yours

Tommy

P.S. If you should ring up
Saturday could it be before
10.45^{AM} or after 1 o'clock?
