The Folly, Settle, North Yorkshire, 2004

Market Day, High Bentham Main Street, 1920s

"A CENTURY OF SERVICE"
EXHIBITION AT THE FOLLY, SETTLE 2004

HARGER BROTHERS

The business was founded in 1812 by Robert Harger, a native of Settle, as a firm of fretwork specialists. During the 19th century Hargers also undertook a variety of work, including some general building and it was not until the turn of the 20th century that they specialised as cabinet makers and household furnishers.
