The following properties were inspected
by me J.H.

R. Harger
site of Yarnon House 233/5 Scotland R^d
& Hamley

When these buildings were demolished
we built up our gable butting on
the property 237 & faced it with
cement for an advert site
As Yennmore would only get an
offer of £2.00 for it it remained
unlet

On inspection to day I find that
this gable has a very large & artistic
advertisement for

painted on the centre of our new
gable

This gable was rebuilt & has nothing
to do with the gable of 237
which remained behind it

I have heard nothing from Yennmore
about this ?

90 Yarnhall R^d
