Dear Dorothy-

It was such a lovely surprise I had this morning & I want to say thank you very much for it. It has added a lot to my happiness this 72nd Birthday of mine. When I saw the parcel I wondered what & from whom it could be & then I was delighted with the contents of it - The slippers fit me just right & they are so unusual & my word so smart - I'm delighted to have them -

How are you? I hope you are all right & that you've had no more "intruders" - you will know the sort I mean -

I've not been able to get up to see you & your new home as was mentioned during those few pleasant days I had at

Sorry: I've found myself awkward to be right out of ordinary envelopes !!
Barbados last August but I hope to do so very soon in the New Year. I will mention it to Bill Bragg that that will be for I think he would like to come also - I will let you have some warning in good time -

Have just got back from some shopping + feel almost frozen; it is most bitterly cold here today - we've had flurries of snow even. It has suddenly turned like that - but the weather has been remarkably good + mild up till now -

I am wondering if you might be at Canterbury on the 28th? I propose popping over in the afternoon for a quick visit just to see your Mother for her Birthday - I somehow feel it ~~may~~ might well be her last - I expect to get there about 2-30 + to leave at 3-45. That's all for now I think except again my thanks for your very nice present + good wishes. With Love Reg.
