6<sup>th</sup> October 1980

Dear Paul, Peter, Mary, Joe,

When Cleveny Cottage, Norfolk was sold in March 1979 and this house - No. 93 Westgate – was bought, the sale price exceeded the purchase price by £6,574.50.

A good deal of work had to be carried out on the new house - two new windows, exterior painting. some repainting, mending a leak in the roof, enlarging the larder, a new domestic hot water installation, etc, etc.

The house is now in good repair and I hope that much of the expenditure will be non-recurring.

As there is now £4,871.37 in the fund I am sending you and the others £1,000 each. Muriel and I think that our own financial affairs are buoyant enough to enable us to pay the rates and maintenance costs of No 93 ourselves when the present fund has become exhausted.

All the best,

Yours with love,

John
