*We focus on crime by people with power!
(there's a lot of it about).*

From Norman Scarth. Founder of the AntiCrimeParty.
Seeking election to Bradford Council in Bingley Ward.

Please vote on 3rd May 2007

TWO FACES OF BLAIR'S BRITAIN.

This is not 'politics' – it is Humanity vs Depravity!

Evelyn Jackson (*opposite*), 97 year old, one armed, in a wheelchair, was brutally stamped on by a teen-age burglar. She survived just long enough to have this picture taken.

These brutal crimes (*almost unheard of until the 1960s*) are an everyday occurrence in Britain now.

Only one man in Britain is REALLY concerned, only one Parliamentary Candidate with that in his General Election Manifesto (*1997*). That man is me, Norman Scarth. The rest of the hedonistic British people don't give a damn! If you are one who does care – prove it – vote for the AntiCrimeParty; better still, JOIN the AntiCrimeParty!

On 8th August 1999 I too suffered a murderous attack – NOT by burglars or muggers desperate for drug money, but by a mob-handed gang of West Yorkshire Police (*being used as a private army*) with orders to silence me.

WHY? The SECOND point in my manifesto was about the corruption which is rampant in our courts - of which I had only newly become aware! (*Tony Blair is a lawyer*).

Until the age of 70 I was proud to be British, proud to have 'done my bit' in World War 2, fighting to keep the Nazis from our shores. WE FAILED!

ALL that we fought against then is here now under War Criminal Blair's Regime, the so-called 'Opposition' just as bad.

Added to the evil of Hitler we have that of Stalinist Russia; where 'dissidents' who are a REAL threat to the regime are incarcerated without trial, tortured, and/or murdered.

ALL THIS BEHIND THE SCENES, behind a nauseating PRETENCE of 'Democracy', concern for 'Human Rights' & 'The Rule of Law'.

(*See my exposé "WW2: The Cause, the End, & the Seizing of Absolute Power by the New 'Master Race' in '1984' Britain"*).

There has been a Nation-wide cover-up of the police crime against me.

The 'News Media' (*diverse on the surface*), are as essential a part of THIS police State as was Dr. Goebbels in Nazi Germany. 'Quality' & 'tabloid', each feeds its own brand of pap (*laced with poison*) to the populace, but combine to deny you the REAL horrific truth!

Arnold (*Andy*) McCardle (*second picture*) was completely sane, but he was bravely telling of drug smuggling by Strathclyde Police.

Like Evelyn, he was brutally murdered (*with a smashed eye socket, a broken jaw, a torn ear, & a cut lip stuck with superglue*) but his killers were so-called ‘doctors’, & so-called ‘nurses’, in a so-called ‘Mental Hospital’. They said he had a heart attack. The official verdict was ‘Death from Natural Causes’.

There are a great many wonderful people in the NHS, but there are some, like those who killed Andy, who have been planted there.

In her ‘Shipman Report’, Dame Janet Smith told of ‘A Culture of Fear in the NHS’, which allowed Shipman to continue killing.

Sadly, the good people in the NHS are afraid to speak out against the bad ones. Nowhere is that ‘Culture of Fear’ more ingrained than in our Mental Hospitals.

I cannot hope to bring Andy’s killers to book, protected as they are by the most powerful in the land.

However, I DID bring a vital change in British law, SINGLE-HANDED (*via the ECtHR*), incorporated into the 1998 Human Rights Act (*see letter from Geoffrey Hoon MP*).

Quite an achievement for a lad who left school at 13, who (*apart from fighting in WW2*) had been a small farmer & horse breeder all my life!

So, it is not a ‘delusion of grandeur’ to think that had I not been UNLAWFULLY prevented from standing for Parliament a second time, I might have been able to reduce the number of crimes against the old & vulnerable.

Apart from their sadistic treatment of Andy & me, those who ordered that I be silenced (*they succeeded with Andy*) also have on their hands the blood of the old folks murdered outside. They purport to act in the name of the Queen, whose Coronation Oath was “**To Deliver Justice WITH MERCY!**” They wouldn’t know how to SPELL the word!

We are told that the juvenile gun gangs don’t have ‘role models’. Oh but they do! Bush & Blair have shown that all power comes out of the barrel of a gun.

If you are concerned - & you should be – you should make *every effort* to attend the launch of the AntiCrimeParty at

**Cardigan House, Ferncliffe Road BINGLEY, West Yorkshire,
Friday 27th April (6.30pm for 7)**

When cast-iron evidence of crimes at home by War Criminal Blair’s Regime will be available
